PRIVATE WIRE From Washington

Plain Dealer Bureau,
611 Albee Building,
Washington, D. C.

By D. C. STAFF

Democratic politicians wisecrack that Allen Dulles, CIA boss, must have been briefing Vice President Nixon pretty closely lately. Sunday Nixon came out with a big "analysis" of communism to educate the American voter. Monday night Dulles told the VFW in Detroit, a lot more on communism and how Americans ought to be educated to understand it.
